WESTERN ALGARVE

Perfect for spring, summer and autumn

The Premier Villas' portfolio in the western Algarve, starting at Portimao and spanning, among others, Praia Da Rocha, Lagos, Praia Da Luz and Sagres, combines traditional and modern-style villas and exclusive villas, apartments and townhouses located in luxury resorts.

Our luxury villas, with their grand terraces, private pools and sweeping views, are located within easy reach of the region's towns and coastline so that exploring the western Algarve's many attractions, from its golf courses to its nature reserves, is simple to do, but the properties are far enough away from any hustle and bustle to ensure a private, secluded getaway.

EASTERN ALGARVE

Perfect for spring, summer and autumn

The Premier Villas' luxury property portfolio in the eastern Algarve, focused on the towns of Olhao, Tavira, Castro Marim and Vila Real de Santo Antonio, comprises a mixture of extraordinary traditional and modern-style holiday villas.

While the main towns in the eastern Algarve are situated a little further inland, separated from the Atlantic by the salt-pans, marshland and lagoons of the Ria Formosa Nature Reserve, giving the region a more relaxed ambience, Premier Villas' luxury villas still enjoy panoramic sea views and access to long sandy beaches.

CENTRAL ALGARVE

Perfect for spring, summer and autumn

Premier Villas' holiday properties in the central Algarve, a region that stretches from Faro in the east to Portimao in the west, are a mixture of traditional and modern-style luxury villas and exclusive villas, apartments and townhouses located in luxury resorts.

Our handpicked, superbly equipped properties, some of which have their own sports rooms and facilities, are located in the region's main towns, including Almancil and Albufeira, as well as in and around Quinta do Lago, Vilamoura and Loule, and the resorts of Armacao de Pera, Porches, Carvoeiro and Silves.
