Realty One Group Opens New Office in Gilbert Arizona

The real estate phenomenon that is Realty One Group will throw open the doors of its newest premises in Gilbert Arizona on Monday. This flagship branch of the real estate brand and franchise will offer residents of Gilbert the opportunity of joining the One family as realtors or agents, or as home buyers or sellers.

Marketing and managing Realty One Group as a lifestyle brand, rather than simply a service in itself has been a game-changer bringing rewards, business rankings and rapid expansion.

Founded in 2005 by Kuba Jewgieniew a former stockbroker, Realty One Group took 30 million in sales the first year. It is now one of the nations top 500 fastest growing companies. Independent and debt-free, the privately owned company which, in the words of the CEO has a trademark 'you first' approach expects even more success in its latest headquarters.

Combining innovative concepts to marketing with caring consciousness, Realty One Group offers franchise owners the building blocks to entrepreneurial success. This 'people first' strategy gives an incentive to start-ups in a company where their voice counts with growth opportunities for those who invest in the company as agents/franchise holders.

The expansion of Realty Group One into Arizona should come as no big surprise, as the company wanted to expand into the tri-state areas of California, Nevada and Arizona. Jewgieniew described the Arizona location as a 'boomtown' and with this newest opening he expects that 'the momentum will only get stronger'.

The offices at Gilbert will host the Grand Opening at 2.00pm and the Realty One Group will be attended by representatives of its business partners in Gilbert Civi Bank and the Jason Witte team. Additional information can be supplied by atcom.
