

WHY ATTEND?

The Copywriting Conference provides learning, development, inspiration and informal networking for everyone who works with words.

- Presented by ProCopywriters - the Alliance of Commercial Writers
- 8 hours of continuing professional development
- Attracts delegates from global brands, agencies, freelancers and corporate departments

The day is a blend of plenary talks and breakout sessions, which gives delegates a chance to customise the day to suit their learning needs.

The standard delegate rate (£375+VAT) includes refreshments during the day and lunch (as well as a drink in the bar after).
