

2019 reg: your drive for adventure

At Lindacre, we provide you with so much more than a new Land Rover or SsangYong. We give you the keys to exploring the great outdoors; to discovering East Anglia's hidden secrets that other vehicles can't reach. And we do this with exemplary personal service and attention from our state-of-the-art service centre and showroom.

Buying a new registration 4x4 vehicle from us has never been easier, and our latest models give you the best driving experience yet, one that matches and rewards your active outdoor lifestyle.

Lindacre Automotive has been doing this since 1994, and our continued success is thanks to the loyalty shown by customers just like you. They know us well and trust us to look after their vehicles from the moment they drive off the forecourt to the time they come back to upgrade to a new model.

Isn't it time you experienced the 4x4 lifestyle for yourself? Visit our showroom and service centre in Ipswich to discover our Land Rover and SsangYong range, including the flagship Rexton, a tough seven-seater that will carry you wherever you want to go. Don't just take our word for it – it was crowned the 4x4 of the Year by 4x4 Magazine.

As well as being the Land Rover main dealer and service centre, we're the authorised main SsangYong dealer for the whole of Suffolk and Essex. We're so proud and confident in the vehicles that they come with a bullet-proof seven-year warranty.

Discover the Lindacre approach

The staff at our centre in White House Road, Ipswich offer personal yet professional levels of customer service. They're trained to the

highest standard on our full range of Land Rover and SsangYong vehicles; they know every inch of every model like the back of their hand.

Customer satisfaction is at the heart of everything we do, which is why we've won various awards, including the prestigious Land Rover National Service Centre of the Year Award.

We're renowned for buying high specification 4x4 vehicles, so no matter your budget or your lifestyle, we'll have an ideal new 2019 plate vehicle or nearly-new option just for you.
