DOES YOUR SKIN NEED A PICK ME UP AFTER THE WORKING WEEK?

Say hello to **Vitamin C**, which has a vital role in maintaining your skin. We've gone to the **Amazonian rainforest** to source the mighty camu camu berry, one of the world's most **potent, natural sources of Vitamin C**.

It all adds up to happy, glowing skin.

3 WAYS TO GET THAT GLOW

- 1** Happy mind = Happy skin. Whether it's reading a funny book or listening to a feel-good song, find a way to laugh.
- 2** For that extra glow, use our **Vitamin C Glow Boosting Moisturiser** and **Instant Glow Enhancer** as your own personal rays of sunshine.
- 3** Keep a water bottle handy to stay hydrated, especially if you're planning to enjoy a few drinks this weekend.
